INSANE WHEN CONVICTED.

Military Prisoners' Sentences, However, Cannot Now Be Changed.

The superintendent of the Government Hospital for the Insane recently advised the War Department in respect to two prisoners confined in that institution, that he had come to the conclusion, after an investigation of the history of the cases, that both of the men were insane at the time they committed the offenses which led to their dishonorable discharge from the army. He suggested the substitution in each case of an honorable discharge on certificate of disability for the dishonorable discharge.

The issue of insanity was not raised at the trial of the men, and they were regularly convicted by courts-martial. The sentences were duly approved by the reviewing authorities and have been fully executed. Judge Advocate General Crowder, to whom the matter was referred, gave an opinion, in which he held that the soldiers having been legally tried and sentenced and the sentences fully executed, that it was beyond the power of the executive to substitute honorable discharges for the dishonorable ones.

OLD WAGE IS RESTORED

Striking Laborers at Roosevelt, N. J., Plant Win Fight for Scale.

ROOSEVELT, N. J., January 30.—Striking laborers at the plant of the Armour Fertilizer Chemical Company here have won their fight for restoration of the two-dollar-a-day wage, which had been reduced to \$1.50. The Armour plant is one of three involved in the strike in which nineteen strikers were shot by deputy sheriffs January 19.

Notice that wages would be restored to their former level was posted here today. The two-dollar wage will be effective Monday next. Only the employees at the Armour plant are affected. At the Williams and Clark and Liebig plants of the American Agricultural Chemical Company the dollar-sixty wage remains in effect.

Wages were reduced at the three plants last fall. The men, who were unorganized, presented demands to the officials of the company involved for the restoration of the former wage.

Failing to obtain this the men went on strike at all three plants, January 2. From 700 to 900 men were involved, it was said.

LOCAL PENSION FUND SHORT.

Present Month May See Last Full Allowance This Year.

The District is facing another shortage in its police and firemen's pension fund. Although full allowances are being made to pensioners this month, indications are that there will be a deficit in the fund next month and during the succeeding months of the present fiscal year. Alonzo Treadwell, auditor of the District, is preparing a statement on the condition of the fund which will be submitted to the Commissioners. It is expected that effort will be made to have Congress pass a pension law which will enable the District to meet its obligations to retired members of the police and fire departments.

AN APPEAL FOR FUNDS FOR SERBIAN WOUNDED

Country With Population of Three Million Has Less Than 200 Doctors.

Personal appeals to hundreds of prominent persons in the capital for contributions to the fund for Serbian wounded were mailed yesterday requesting that offerings be sent to George W. White, National Metropolitan Bank, the Washington representative of the fund.

Information regarding the needs of the Serbian wounded is being given by Mrs. Carl Joerissen, 1619 Massachusetts avenue northwest.

The purpose of the fund is to send at least one medical unit to Serbia, through a committee of Americans in Paris. It is stated that Serbia with a population of 3,000,000 persons has less than 200 doctors. A unit consisting of five surgeons, six nurses and two ambulance attendants is in Paris ready to go to Serbia as soon as funds are provided.

The Americans who are on the committee in Paris arranging for this relief expedition into Serbia are: Mrs.

Edward Tuck, Mrs. Waddington, M. and Mrs. P. Leagrey, Mrs. Ralph Hickox, Mrs. H. Herman Harjes, Miss Margaret T. Johnson, Mrs. H. A. Huntington, Dr. Richard Derby, Dr. Benjamin Jablons, Warrington, Dawson, Charles G. Loeb, A. Wells Ingram, Kikran Khan Kelejian, Mrs. Benjamin Mairs Wilson and Mrs. Edmund Gros.

ARMY LAUNCH QUILTS POTOMAC

Lieut. Wilhelm Sent to Baltimore for Duty at Fort Howard.

The handsome quartermaster department launch Lieut. Wilhelm, which has been doing duty at the army posts on the Potomac for several years, has been detached from service at Fort Washington and Fort Hunt and sent to Fort Howard, at Baltimore, where she will do duty as a tender. The Wilhelm left here a day or two ago for her new station.

The bringing here of the army steamer Capt. A. M. Wetherill made the services of the Wilhelm unnecessary at the local forts. Her being sent away leaves the Wetherill the only army steamer attached to the Potomac forts. Several months ago the army steamer Col. Robert Swartwout was sent from Fort Washington to the army post at Pensacola, Fla., the reduction of the number of men stationed at Fort Washington from four to one company of coast artillery making her services unnecessary.

Senator Clapp to Talk at Church.

Senator Moses E. Clapp of Minnesota is to speak at Vermont Avenue Baptist Church at 2 o'clock this afternoon at a meeting to be held in the interests of the Interstate Old Folks' Home for Aged and Infirm Colored People of America.
